LinkedIn: www.linkedin.com/in/wren-pellant

Growing up in a family of international educators, I've lived multiculturally and traveled all over the world— gaining cultural competency, and honing my skills in adaptability and teamwork.

I strive to always leave a positive impression, be a voracious learner, and be able to connect with everyone in a genuine way!

EDUCATION

Savannah College of Art and Design - School of Animation and Motion

Bachelor of Fine Art in Visual Effects, Minor in Drawing (Graduating June 2027)

Relevant Coursework: Advanced Compositing, Technical Compositing and Direction

Honors: Dean's List Honoree: Fall 2023 - Spring 2026

Extracurriculars: Outreach Officer for the Women in VFX club, Member of the Digital FX Club (DFX)

SELECTED PROJECTS

Collaborative Experience | Compositor

March 2026 - May 2026

SANM 560- Enemy Within: A collab class with SCAD's Atlanta campus as well as previous quarters. The post-production section of a 10 minute student short film involving heavy CGI integration. Working on a team of 5 other compositors, I developed a custom glitch effect.

Collaborative Experience | Compositor

January 2026 - March 2026

SANM 560- Collaborative Experience: A class in collaboration with Harbor Picture Company Electric Theatre Collective (ETC), and Calling All Talent (CAT). Working in small groups of 5, teams were given 8 weeks to create a roughly 30 second mock-advertisement. I worked on 5 shots total as the sole compositor for my team.

WORK EXPERIENCE & INTERNSHIPS

Harbor Picture Company

Summer 2026 (ongoing)

VFX/AI Intern

Professional training in the use of AI as well as compositing within a production pipeline.

Palo Alto JCC

September 2021 - August, 2023

Lifeguard

American Red Cross Lifeguarding/First Aid/CPR/AED certified. Worked in a high-pressure environment both individually as part of teams. Ensured enforcement of rules and safety procedures. Honed hospitality skills through daily interactions with patrons
